OBJECTIVE

The objective of the Home is to provide shelter and care to the aged and aged destitute who are Singapore Citizens or Singapore Permanent Residents, age 60 and above, regardless of race, sex, language and religion in accordance with the rules and conditions set up in the Constitution of the Home.

Our Vision

To provide a warm and conducive living environment in which residents have ample opportunities to be engaged with fellow residents, family members and members of society.

Our Mission

To provide a warm and conducive living environment for the ambulant and fairly frail elderly in communal living, regardless of race, language, religion or social status. Through a series of programmes and activities, the Home will support residents' well-being and help them to be active, healthy and engaged in the community.

POLICIES

Finance & Funding

The Home is self-funding and we receive aid from the public through their generous donations in cash or in kind. The Home collects home fees from the family members or relatives of the residents. Such fees are based on the family's financial background and their ability to pay.

For destitute resident, the home receives monthly public assistance grant from Social Service Office (SSO).

REVIEW OF FINANCIAL STATUS AND EXPLANATION OF ALL MAJOR FINANCIAL TRANSACTIONS

The Kheng Chiu Loke Tin Kee Home received a total income for 2022 amounted to \$1,521,819, a 0.7% decline as compared to \$1,532,846 in 2021. The reasons included resident's home fee decreased marginally from \$864,329 to \$849,571 in 2022 and drop in MSF's rental subsidy from \$200,000 to \$150,000 in 2022. This decline is mitigated by increase in donation from \$45,173 in 2021 to \$137,697 in 2022.

Total expenses decreased 13.5% from \$1,911,570 to \$1,652,925 in 2022. Such decrease of \$286,645 was attributed to:

- 1) Worker's salary, allowance and bonus decreased from \$642,033 to \$399,031 in 2022. There was a one-time salary expense of \$291,587 incurred in 2021. This was due to salary expense charged by Kheng Chiu Tin Hou Kong for deployment of manager and executive to the Home in 2019 and 2020.
- 2) Utilities expenses increased from \$102,361 to \$148,644 in 2022 due to worldwide energy crunch. The food expenses for residents decline from \$224,000 to \$196,381 in 2022. This was due to change of in-house caterer to catering from vendor in 2022.

The auditor had made a statement for the basis for qualified opinion: As disclosed in Note 9 to the financial statements, the Home has recorded advances to a related party of \$1,883,731 (2021:\$1,787,790). The management has assessed that no allowance for impairment should be provided for the advances to a related party. We were unable to obtain sufficient appropriate audit evidence to satisfy themselves as to the recoverability of the amount.

There is no paid staff in the Home's Management Committee.

We wish to thank all our donors, sponsors, friends, volunteers and supporters who have made valuable contributions, both tangible and intangible to our Home for all these years.

FUTURE PLANS AND COMMITMENT

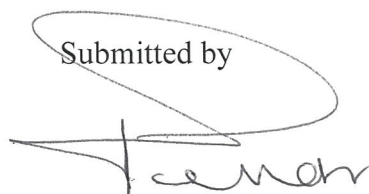

- (1) The Home will continue its effort to increase intake of new residents to maximize its capacity. This will be done through more collaboration with other NGO such as Sian Chay Medical Institution, CCs and volunteers
- (2) The Home will continue to engage Tampines SSO and Northeast CDC to involve Tampines residents and community in the Home's activities.
- (3) The Home will continue its effort to engage residents in areas of health, food and relationship with fellow residents and family members.
- (4) The Home will work with more volunteer groups to provide more interactive and healthcare programmes to our elderly residents.
